

Duration – The course is 13 weeks in length with one break during training.

All IBEW Journeyman Lineman Instructors.

We offer the students a few paths (Outside Line Construction, Substation, Cable Splicer).

Graduates of MLC may qualify for direct entry in the Missouri Valley JATC apprenticeship pending work outlook and demand. If you do not pass the course, you will not get accepted into the apprenticeship.

For VEEP students, successful completion of MLC, direct entry into Missouri Valley JATC, pending work outlook.

Evaluations are based on curriculum, hands on skill assessments and attitude.

Must obtain an unrestricted, CDL Class A 6 months after graduation, if going into Missouri Valley AJATC.

*** If you are going to a different AJATC for apprenticeship – you need your CDL A prior to application.

Could start as a 2nd step apprentice.

Students will do the apprenticeship’s 1st year curriculum.
