CML Participant

What to expect from VEEP Computer Mediated Learning

1) Fill out an application
2) Applications are processed in the order received
3) We typically work March through June to fill fall cohorts
4) Online cohorts form up throughout the year

1) VEEP will contact you to solidify your top three locations
2) VEEP contacts all three training locations
3) Once we have answers from your top locations you will make a final call based on who said yes
4) VEEP is working with multiple applicants, slots for a cohort fill based on date of application.
5) If we have a slot and a place for you to land, an agreement will be sent via adobesign@adobesign.com
   a) Watch your spam filter.
6) After the agreement is in place an acceptance letter can be generated for your command if needed
7) Plan your logistics to work on training
8) Get skillbridge paperwork approved and share final signed version as required
9) An onboarding session will be scheduled, online format
   a) This will explain expectations and give instruction on how to access our online resources.
10) You will be registered for online tech math.
    a) Watch for emails from UT Conferences and keep track of your login information
11) We will plan meetings to touch base approximately every 2 weeks.

1) Laptop will be needed
2) Expect homework every day-set a steady pace for yourself
3) There will be written evaluations
4) No guarantee that everyone who starts will successfully complete
5) Contact your home local JATC to set up a date to be registered as an apprentice
6) There may or may not be a job assignment ready on day 1
7) Expect substance abuse screening and random testing at JATCs
8) Find out what the COVID-19 policies are at your home local
9) Contact your mentor if assigned
10) Have a great time and absorb all the skills and knowledge you can soak up.

1. Graduate may show up at JATC during terminal leave, eligible for employment at this time.
2. Know you are registering for apprenticeship and that may mean waiting for an OJT assignment.
3. CML cohorts will have access to two epub versions of books used in apprenticeship, but access will be limited in time and the purchase of a standard text may be required.
4. VEEP will send completion certificate, tech math certificate to JATC upon completion
5. There are no LMS records to transfer
6. The graduate will have to be registered in the TMS through the accepting JATC.
7. Accepting JATC is requested to set up some local publicity, coordinate with VEEP for banners and backdrops.
8. Graduate will receive graduation gifts at the receiving JATC location.
